

Capabilities Statement

www.sigtelinc.com

SigTel Inc. The company established its first service office in 1995 but the firm reorganized in 2014 to focus on the following sectors. SigTel Inc. project specialties are in the Commercial, Utilities, Government, Military & Industrial areas with a strong emphasis toward the more technically oriented fields such as Electrical Testing, Maintenance & Commissioning. Always testing to **IEC 61850 & MTS/ATS standards** with a staff of professional, highly trained commissioning engineers & test technicians.

Cage: 7SSN7 | Duns: 079474844 | Office: (949) 612-7177

Core Competencies

Electrical Construction Services/Protection & Controls

- ❖ Industrial, Commercial, Utility, Education, Government & Military.
- ❖ High & Medium Voltage Service, Repair & Energy Storage.
- ❖ Power Systems Protection applications, studies & control design.
- ❖ Distribution Planning, QAQC, & Electrical Oversight.
- ❖ Routing, Permitting, Sitting, & Transmission Engineering & Design.

Electrical Testing & Maintenance

- ❖ Troubleshooting, Analysis & Evaluation of In-Service Equipment and Systems.
- ❖ Cable, CT, Switchgear, Power Transformer, & Instrument Transformer Testing.
- ❖ Disconnect Switch and Sectionalizer Testing.
- ❖ Substation Equipment Testing.
- ❖ Circuit Breaker Testing, Overhaul, and Refurbishment.
- ❖ Protective Relay, Metering, & Ground Grid Tests.
- ❖ Infra-Red Analysis & Engineering Studies.

Startup & Commissioning

- ❖ New Equipment & Systems (Greenfield & Energized Sites).
- ❖ Outage & Energization Planning
- ❖ Substation Energizing, Loading, Automation & Integration.
- ❖ Substation Engineering & Design.
- ❖ Operational Consulting & Communication Engineering & Design.
- ❖ QAQC & Electrical Oversight.

NAICS & PSC Codes

- 6210:** Industrial Building Construction
- 238210:** Electrical Wiring & Other Installation Contractors
- 238120:** Structural Steel & Precast Concrete Contractors
- 541519:** Other Computer Related Services
- 5671210:** Facilities Support Services
- D304:** Telecom. & Transmission Utilities-Electric
- J059:** Maintenance Repair, & Rebuild of Electrical and Electronic Equipment
- N059:** Installation of Electrical & Electronic Equipment
- N061:** Installation of Electric Wire & Power Distribution Equipment
- N099:** Installation of Equipment Miscellaneous
- R425:** Support: Professional, Engineering/Technical
- S112:** Utilities-Electric
- Y1AZ:** Construction of Other Admin Facilities & Service Buildings
- Z1JA:** Maintenance of Museums & Exhibition Facilities

Company Snapshot

Company Address: 1581 Monrovia Ave, Newport Beach CA.92663

Work Area: Western Region United States

Service Disabled Veteran Owned Small Business: CAGE#7SSN7

Disabled Veteran Business Enterprise: DSG#1788728

Minority Business Enterprise: VON#1788728

California State License Board: #1008382

SAM UEI: K8EXH5L1JR96

DUNS: 079474844

DIR PW-LR: 1000402587

Differentiators

- ✓ We have a combines 80+ years in the electrical testing and commissioning industry.
- ✓ Our commitment to safety is second to none, with an "A" rating from ISNetworld.
- ✓ Our state certified electricians are highly skilled and professional.
- ✓ Our workforce has extensive training which ensures quality workmanship.

Past Customers

- ✓ U.S. ARMY
- ✓ U.S. MARINE CORPS
- ✓ San Diego Gas & Electric
- ✓ Frontier Communications
